KANSAS CITY-STYLE BARBECUE

Good things come to those who wait, and that's certainly true of our Kansas City-style barbecue. Great BBQ takes time, so we're bringing classic BBQ flavor to the Mountain State by cooking our meats low and slow. Our certified pitmasters take pleasure in serving true smokehouse flavors, so all our meats are seasoned with our special-blend dry rub and smoked on-site for up to 16 hours using local hickory wood. This process infuses the meats with incredible flavor that will make your mouth water and leave you wanting more. Enjoy with our original recipe BBQ sauces, made from scratch in-house by Chef Jason Fleck.
